Dear George,

With your help, our Neon Bright's Bowling Nights - Bowl for Kids Sake 2019 events were a BIG success! With 11 event days, over 230 teams and over 1100 bowlers lacing up their shoes in support of Big Brothers Big Sisters of Barrie and District.

Thank you so much for your T-Shirt Sponsorship of our campaign! It is so nice for us to be able to award those who go above the fundraising minimum while also promoting our community partners. We hope you see our supporters proudly wearing their shirt around town.

The children and youth we serve in five mentoring programs benefit the most from your generosity and kindness. Having a mentor creates many possibilities for them such as an increase in self-esteem, resiliency, and hope for their futures. They are more apt to continue onto post-secondary education, less apt to bully or be bullied and more likely to give back in their communities, much like you have done through your support of this event!

In 2018 our agency served more children than ever before while the need mentoring services continues to increase! We were only able to provide our programming through the generous giving of our community and the support of over 200 volunteers.

A BIG Thank you for your support. Imagine who they will become because of you!

Sincerely,

Marianne Arbour

Executive Director
